Course Introduction:

“Dr Griffin runs a very busy, efficient practice in St Louis county where he and his staff have maintained a 50-55% overhead since 1988. Eureka Smile Center emphasizes cosmetics while doing all phases of general dentistry. Jack is one of a hand-full of dentists awarded by his peers Diplomat status with the American Board of Aesthetic Dentistry (ABAD), accreditation with the American Academy of Cosmetic Dentistry (AACD), and Mastership in the Academy of General Dentistry (AGD). He considers it a great honor to have been asked to teach many dentists how to meet their professional goals in various topics including practice management, digital photography, direct bonding techniques, cosmetic veneers, and CAD/CAM dentistry. He has lectured at many prestigious meetings and has been published in leading dental journals. Jack is the MasterTrack/CE chair for the Missouri AGD and is on the Council of Scientific Affairs for the Greater St Louis Dental Society. He has been blessed to be surrounded by those to help make the dental experience both rewarding and enjoyable and is thankful that you have invested this time to laugh and learn with him.”

Biography:

““Dr Jack Griffin has practiced in St Louis county Missouri since 1988. In a very busy practice, he and his staff have consistently maintained a 50-55% overhead by emphasizing cosmetics while doing all phases of general dentistry. He has been awarded by his peers Diplomat status with the American Board of Aesthetic Dentistry (ABAD), holds accredited status with the American Academy of Cosmetic Dentistry (AACD), and has achieved Mastership in the Academy of General Dentistry (AGD). He considers it an honor to have taught many dentists how to improve their skills with digital photography, direct bonding techniques, efficiency with porcelain veneers, conquering practice efficiency, and CAD/CAM dentistry in lectures and scientific publication. He practices what he teaches and his placement of over 10,000 chairside CAD/CAM restorations and dedication to ultimate cosmetics places him in rare professional company. Jack is the MasterTrack/CE chair for the Missouri AGD and is on the Council of Scientific Affairs for the Greater St Louis Dental Society. He has been blessed to be surrounded by those to help make the dental experience both rewarding and enjoyable.”

Evaluation comments and testimonials from lecture evaluations:

“Great course, one of the best we’ve ever had here and we’ve heard from just about everyone.”

“Funny slides, excellent photos, and a lot of great useful information...even I stayed awake the whole time. Loved it!”

“Jack is an enthusiastic, entertaining, and intelligent teacher who really enjoys what he is doing. It is a bonus and honorable that he donates [much] of the money he receives from teaching to a charity for those fighting addiction.”

“[This was an] Amazing presentation. There cannot be anyone more knowledgeable on digital photography, clinical evaluation, and case presentation than [Jack]. You are a rising star in dental education.”

“Dr Griffin is to be commended for providing a terrific educational experience that is second to none. [Jack is] very honest and gives practical advice that he uses every day in practice...it is refreshing to have someone teach that actually uses his own advice on many patients in a very busy practice. [His] approach is refreshing.”

“Your well rounded skills in practice management and esthetic dentistry are top notch. This was probably the best presentation our study group has ever had!”

“I would put the quality of your cosmetic cases up against anyone’s!”

“Composite skills that rival the best out there...keep up the honesty and fun approach!”

“Where do you get all of your energy? Lots of good stuff for us to use in practice. Don’t lose your sense of humor.”

“Your smile design and porcelain work are excellent. Your presentation skills are down to earth and very relevant. We can’t wait for you to come back next year and present again.”

“Thanks for making a hard subject so easy to understand. I really appreciate your honesty and your passion for sharing.”

“You are too modest. I like the fact that you really have fun teaching and don’t take yourself too serious. Really funny slides. Great kids!”

“Terrific course. Great photos... your practice looks amazing and thanks for sharing it with us. How does your staff put up with you???? 😊
